Item 7.01. Regulation FD Disclosure.

On June 24, 2011, Diodes Incorporated issued a press release announcing an agreement to purchase up to approximately US\$14 million of the common stock of Eris Technology Corporation. A copy of the press release is attached as Exhibit 99.1.

The information in this Item 7.01, including Exhibit 99.1, will not be treated as filed for the purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section. This information will not be incorporated by reference into a filing under the Securities Act of 1933, or into another filing under the Exchange Act, unless that filing expressly refers to specific information in this Form 8-K. The furnishing of the information in this Item 7.01 is not intended to, and does not, constitute a representation that such furnishing is required by Regulation FD or that the information in this Item 7.01 is material information that is not otherwise publicly available.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

Exhibit Number	Description
99.1	Press release dated June 24, 2011

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Diodes Incorporated Announces Investment in Eris Technology Corporation

Plano, Texas — June 24, 2011 — Diodes Incorporated (Nasdaq: DIOD), a leading global manufacturer and supplier of high-quality application specific standard products within the broad discrete, logic and analog semiconductor markets, today announced an agreement to invest in Eris Technology Corporation, a publicly traded company listed as an Emerging Stock on the Taiwan OTC Exchange (TWO) that provides design, manufacturing and after-market services for diode products.

Eris has announced that it will offer to its shareholders and employees up to 10 million shares of common stock at NT\$39 per share to raise NT\$390 million (approximately US\$14 million). Diodes has agreed to purchase any shares not purchased by Eris' shareholders and employees and Eris' founders have agreed to sell Diodes any shares necessary to ensure that Diodes will obtain a minimum of 8 million shares which represents an approximately 24 percent ownership in Eris after the capital increase.

Commenting on the investment Dr. Keh-Shew Lu, President and Chief Executive Officer of Diodes, stated "Eris is currently a supplier of assembly/test services to Diodes and we are pleased to be able to expand that relationship. This investment will allow Eris to expand their capacity in specific packages as a complement to Diodes' internal capability."

About Eris Technology Corporation

Eris Technology Corporation was established in August 1995. Eris is an ODM (original design manufacturer) providing a variety of support services to design, manufacturing, and after-marketing services for diode products, including schottky diodes, TVS diodes, zener diodes, bridge diodes, wafers, and LED's. Eris serves a broad base of global and regional OEM customers. For more information visit the Eris website at <http://www.eris.com.tw/>.

About Diodes Incorporated

Diodes Incorporated (Nasdaq: DIOD), a Standard and Poor's SmallCap 600 and Russell 3000 Index company, is a leading global manufacturer and supplier of high-quality application specific standard products within the broad discrete, logic, and analog semiconductor markets. Diodes serves the consumer electronics, computing, communications, industrial, and automotive markets. Diodes' products include diodes, rectifiers, transistors, MOSFETs, protection devices, functional specific arrays, single gate logic, amplifiers and comparators, Hall-effect and temperature sensors; power management devices, including LED drivers, DC-DC switching and linear voltage regulators, and voltage references along with special function devices, such as USB power switches, load switches, voltage supervisors, and motor controllers. The Company's corporate headquarters, logistics center, and Americas' sales office are located in Plano, Texas. Design, marketing, and engineering centers are located in Plano; San Jose, California; Taipei, Taiwan; Manchester, England; and Neuhaus, Germany. The Company's wafer fabrication facilities are located in Kansas City, Missouri and Manchester, with two manufacturing facilities located in Shanghai, China, another in Neuhaus, and a joint venture facility located in Chengdu, China. Additional engineering, sales, warehouse, and logistics offices are located in Taipei; Hong Kong; Manchester; and Munich, Germany; with support offices located throughout the world. For further information, including SEC filings, visit the Company's website at <http://www.diodes.com>.

Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995: Any statements set forth above that are not historical facts are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements. Such statements include statements regarding Diodes will obtain a minimum of 8 million shares, which represents an approximately 24 percent ownership in Eris after the capital increase; and this investment will allow Eris to expand their capacity in specific packages as a complement to Diodes' internal capability. Potential risks and uncertainties include, but are not limited to, such factors as: *we may not be able to maintain our current growth strategy or continue to maintain our current performance, costs and loadings in our manufacturing facilities; risks of domestic and foreign operations, including excessive operation costs, labor shortages and our joint venture prospects; unfavorable currency exchange rates; our future guidance may be incorrect; the global economic weakness may be more severe or last longer than we currently anticipated; and other information detailed from time to time in the Company's filings with the United States Securities and Exchange Commission.*

Recent news releases, annual reports and SEC filings are available at the Company's website: <http://www.diodes.com>. Written requests may be sent directly to the Company, or they may be e-mailed to: diodes-fin@diodes.com.
