Item 1.01. Entry into a Material Definitive Agreement.

On June 9, 2008, Diodes Incorporated (the “Company”) entered into an Amendment to Addendum to Client’s Agreement and Terms and Conditions for Irrevocable Standby Letter of Credit (the “Amendment”). Under the Amendment, commencing June 9, 2008, the Company’s loan from UBS Financial Services Inc. (“UBS”), in an aggregate amount of U.S.\$165 million, which was incurred in connection with the Company’s acquisition of Zetex plc (“Zetex”), shall be charged interest at a floating rate of interest per annum equal to the sum of the prevailing daily 30-day LIBOR plus 1.25% and may include the compounding of interest.

The foregoing summary of the Amendment is qualified in its entirety by the copy of the Amendment attached hereto as Exhibit 99.1 and incorporated herein by reference. The Addendum to Client’s Agreement and Terms and Conditions for Irrevocable Standby Letter of Credit and other related documents have been filed with the SEC as exhibits to the Company’s Current Report on Form 8-K filed April 4, 2008 and are incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On June 9, 2008, the Company completed its acquisition of the outstanding ordinary capital stock of Zetex pursuant to the Implementation Deed dated April 4, 2008, between the Company and Zetex, whereby the shareholders of Zetex will receive 85.45 pence in cash per Zetex ordinary share, valuing the fully diluted share capital of Zetex at approximately U.S.\$176.3 million (based on a U.S.\$:GBP£ exchange rate of 1.9778). The Implementation Deed has been filed with the SEC as Exhibit 10.10 to the Company’s Quarterly Report on Form 10-Q filed May 12, 2008 and is incorporated herein by reference.

The consideration payable in connection with the acquisition was funded by a combination of the Company’s cash resources and certain financing arrangements. The financing arrangements are described in the Company’s Current Report on Form 8-K filed April 4, 2008 under Item 2.03., “Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant,” which description is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.

On June 9, 2008, the Company issued a press release announcing that the Company has completed its acquisition of Zetex as described in Item 2.01 above. A copy of the press release is attached as Exhibit 99.2 to this Report and is incorporated herein by this reference.

The information in this Item 7.01, including Exhibit 99.2, will not be treated as filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of that section. This information will not be deemed incorporated by reference into a filing under the Securities Act of 1933, or into another filing under the Exchange Act, unless that filing expressly refers to specific information in this Report. The furnishing of the information in this Item 7.01 is not intended to, and does not, constitute a representation that such furnishing is required by Regulation FD or that the information in this Item 7.01 is material information that is not otherwise publicly available.

Forward-Looking Statements

Except for the historical and factual information contained in the press release attached as [Exhibit 99.2](#), the matters set forth in the press release (including statements as to: this acquisition is expected to be accretive to GAAP earnings per share within twelve months; this acquisition will broaden the Company's product portfolio, creating significant cross-selling opportunities within the customer base; this acquisition will produce complementary wafer processing and packaging technologies, resulting in expanded capabilities and capacity; this acquisition will increase the Company's geographic footprint and market segment diversification; this acquisition will further enhance the Company's global leadership in discrete and analog semiconductor solutions; the result of this acquisition will be continued growth and allow the Company to capitalize on the business opportunities and geographic expansion; and other statements identified by words such as "estimates," "expects," "projects," "plans," "will" and similar expressions) are forward-looking statements within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995.

These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially, including, but are not limited to, such factors as the Company's inability to successfully integrate Zetex within our operations due to factors associated with unexpected losses of key employees or customers of Zetex, bringing Zetex's standards, processes, procedures and controls into conformance within our operation, coordinating our new product and process development, hiring additional management and other critical personnel, increasing the scope, geographic diversity and complexity of our operations, difficulties in consolidating facilities and transferring processes and know-how, difficulties in reducing costs of Zetex's business and diversion of our management's attention from the management of our business. In addition our success depends on our ability to implement our business strategy, to manage fluctuations in product demand and supply, to continue the introduction of new products, to maintain customer and vendor relationships, to continue to make technological advancements and introduce competitive products at competitive prices, to grow in targeted markets, to successfully make additional acquisitions, to manage the risks of domestic and foreign operations, to maintain the availability of tax credits, and to manage other risks detailed from time to time in the Company's filings with the United States Securities and Exchange Commission. You should not place undue reliance on these forward-looking statements, which speak only as of the date of the press release. The Company undertakes no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.

Item 9.01. Financial Statements and Exhibits.**(a) Financial Statements of Businesses Acquired.**

The financial statements of Zetex required by this Item are not included in this Current Report on Form 8-K. Such financial statements will be filed by amendment no later than 71 calendar days after the date of the filing of this initial Current Report on Form 8-K.

(b) Pro Forma Financial Information.

The pro forma financial information required by this Item is not included in this Current Report on Form 8-K. Such pro forma financial information will be filed by amendment no later than 71 calendar days after the date of the filing of this initial Current Report on Form 8-K.

(d) Exhibits.

<u>Exhibit Number</u>	<u>Description</u>
99.1	Amendment to Addendum to Client's Agreement and Terms and Conditions For Irrevocable Standby Letter of Credit dated June 9, 2008, between Diodes Incorporated and UBS Financial Services, Inc.
99.2	Press release dated June 9, 2008.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.

EXHIBIT INDEX

Exhibit Number	Description
99.1	Amendment to Addendum to Client's Agreement and Terms and Conditions For Irrevocable Standby Letter of Credit dated June 9, 2008, between Diodes Incorporated and UBS Financial Services, Inc.
99.2	Press release dated June 9, 2008.

**AMENDMENT TO ADDENDUM TO CLIENT'S AGREEMENT AND TERMS AND CONDITIONS
FOR IRREVOCABLE STANDBY LETTER OF CREDIT**

This Amendment ("Amendment"), effective as of June 9, 2008, shall amend the existing Addendum to Client's Agreement and Terms and Conditions for Irrevocable Standby Letter of Credit dated as of March 28, 2008, ("Addendum") by and between UBS Financial Services Inc. ("UBS Financial Services") and Diodes Incorporated ("Client"). Defined terms used herein shall have the respective meanings set forth in the Addendum unless otherwise defined herein.

WHEREAS, UBS Financial Services and the Client desire to amend the Addendum.

NOW, THEREFORE, with the foregoing incorporated herein by reference and made a party hereof, UBS Financial Services and the Client, intending to be legally bound, and in consideration of the mutual covenants and promises contained herein, hereby agree as follows:

1. Section 4 of the Addendum is amended in its entirety to read as follows:

"The first sentence of Section 9 of the Client's Agreement is amended in its entirety to read as follows:

"All amounts advanced and other balances due shall be charged interest at a floating rate of interest per annum equal to the sum of the prevailing daily 30-day LIBOR plus 1.25% and in accordance with your usual custom, which may include the compounding of interest, including any increases in rates which reflect adjustments in 30-day LIBOR."

2. In all other respects, the terms and provisions of the Addendum and the Client's Agreement and the Terms and Conditions remain unamended and in full force and effect.

3. The Client represents and warrants to UBS Financial Services that (i) it has the full right, power and authority to make, execute and deliver this Amendment and perform its obligations under this Amendment, the Client's Agreement and Terms and Conditions to which it is a party, and (ii) this Amendment, the Client's Agreement and the Terms and Conditions to which it is a party constitute the legal, valid and binding obligations of the Client enforceable in accordance with their respective terms.

4. This Amendment may be signed in multiple original counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

5. This Amendment shall be governed by and construed in accordance with the laws of the State of New York.

6. This Amendment shall not become effective and binding upon UBS Financial Services until this Amendment has been executed by the Client and accepted by UBS Financial Services at its home office.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed by their respective duly authorized representatives as of the date first above written.

For Immediate Release

Diodes Incorporated Closes Acquisition of Zetex plc

DALLAS, TEXAS — June 9, 2008 — Diodes Incorporated (NASDAQ:DIOD), a leading global manufacturer and supplier of application specific standard products within the broad discrete and analog semiconductor markets, today announced that it has completed its acquisition of Zetex plc (LSE: ZTX) in an all cash deal.

This acquisition offers the following potential revenue, operating and cost synergies:

- Combined 2007 revenue of \$528 million;
- Expected to be accretive to GAAP earnings per share within 12 months;
- Strengthens Diodes' product portfolio by expanding into the industrial and automotive markets;
- Creates significant cross-selling opportunities within the customer base and increases the geographic footprint;
- Complementary wafer processing and packaging technologies, resulting in expanded capabilities and capacity

Dr. Keh-Shew Lu, Diodes' President and CEO, commented, "We are pleased to close this acquisition, which we believe will further enhance Diodes' global leadership in discrete and analog semiconductor solutions. We look forward to achieving continued growth and capitalizing on the new business opportunities and geographic expansion resulting from this acquisition."

The transaction will close under the previously released terms by which each Zetex shareholder will receive 85.45 pence in cash per Zetex ordinary share, valuing the fully diluted share capital of Zetex at approximately \$176 million USD (based on a US\$:GBP\$ exchange rate of 1.9778). For a more complete description of the terms of this acquisition, see Diodes' Form 8-K filed with the Securities and Exchange Commission on April 4, 2008.

About Diodes Incorporated

Diodes Incorporated, a S&P SmallCap 600 Index company, is a leading global manufacturer and supplier of application specific standard products within the broad discrete and analog semiconductor markets, serving the consumer electronics, computing, communications, industrial and automotive markets. Diodes' products include diodes, rectifiers, transistors, MOSFETs, protection devices, functional specific arrays, power management devices including DC-DC switching and linear voltage regulators, amplifiers and comparators, and Hall-effect sensors. Diodes has its corporate offices in Dallas, Texas, with a sales, marketing, engineering and logistics office in Southern California; design centers in Dallas, San Jose, Hsinchu Science Park and Taipei; a wafer fabrication facility in Missouri; two manufacturing facilities in Shanghai; engineering, sales, warehouse and logistics offices in Taipei and Hong Kong, and sales and support offices throughout the world. Diodes' product focus is on high-growth end-user equipment markets such as TV/Satellite set-top boxes, portable DVD players, datacom devices, ADSL modems, power supplies, medical devices, wireless notebooks, flat panel displays, digital cameras, mobile handsets, DC to DC conversion, wireless 802.11 LAN access points, brushless DC motor fans, and automotive applications.

Forward-Looking Statements

Any statements set forth above that are not historical facts are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements. Such statements include statements regarding our expectation that: this acquisition is expected to be accretive to GAAP earnings per share within twelve months; this acquisition will broaden the Company's product portfolio, creating significant cross-selling opportunities within customer base; this acquisition will produce complementary wafer processing and packaging technologies, resulting in expanded capabilities and capacity; this acquisition will increase the Company's geographic footprint and market segment diversification; this acquisition will further enhance the Company's global leadership in discrete and analog semiconductor solutions; the result of this acquisition will be continued growth and allow Diodes to capitalize on the new business opportunities and geographic expansion. Potential risks and uncertainties include, but are not limited to, such factors as the Company's inability to successfully integrate Zetex within our operations due to factors associated with unexpected losses of key employees or customers of Zetex, bringing Zetex's standards, processes, procedures and controls into conformance within our operation, coordinating our new product and process development, hiring additional management and other critical personnel, increasing the scope, geographic diversity and complexity of our operations, difficulties in consolidating facilities and transferring processes and know-how, difficulties in reducing costs of Zetex's business and diversion of our management's attention from the management of our business. In addition our success depends on our ability to implement our business strategy, to manage fluctuations in product demand and supply, to continue the introduction of new products, to maintain customer and vendor relationships, to continue to make technological advancements and introduce competitive products at competitive prices, to grow in targeted markets, to successfully make additional acquisitions, to manage the risks of domestic and foreign operations, to maintain the availability of tax credits, and to manage other risks detailed from time to time in the Company's filings with the United States Securities and Exchange Commission.
