In the UK, Diodes has wafer fabrication facilities, design, marketing, and engineering centers as well as engineering, sales and logistics services based at its site in Oldham, Manchester and Greenock, Glasgow. Diodes United Kingdom Group's tax strategy in relation to its approach to conducting its UK tax affairs and dealing with UK tax risk is summarized below.

Tax Disclosure—United Kingdom Finance Act of 2016

- Pursuant to paragraph 16(2) of the Finance Act of 2016, this disclosure relates to all United Kingdom ("UK") operations of Diodes Incorporated ("the Company" or "Diodes") as of the disclosure's publication date.
- Diodes UK Group ("Diodes UK Group" or "Diodes UK") includes Diodes Holdings UK Limited, Diodes Semiconductors GB Limited, Diodes Zetex Limited, Diodes Zetex Semiconductors Limited and Diodes Fast Analog Solutions Limited
- This disclosure will be reviewed by the Diodes team with financial responsibility, including the UK Finance Manager, at least yearly, and will remain in effect until circumstances arise that require changes to the disclosure.

Risk Management & Governance Arrangements

- All financial transactions are subject to controls designed and implemented by Diodes UK Financial Management to ensure segregation of duties and appropriate levels of review. Process controls are designed and operated to facilitate systematic tax compliance at a transactional level.
- Diodes UK Finance Team comprises appropriately qualified and experienced individuals.
- Diodes UK Finance Team processes, controls and output are subject to frequent audit by Diodes Internal Audit Department.

Approach to UK Tax Planning

- Diodes UK Group works closely with leading tax experts to ensure tax costs are calculated in accordance with applicable legislation, that tax planning is non-abusive, and that tax payments are made on time.
- As a technology company Diodes UK Group ensures it takes advantage of relevant tax incentives, for example tax incentives related to R&D.
- Diodes UK Group follows the terms of the relevant Double Taxation Treaties and OECD guidelines in dealing with such issues as transfer pricing.

Risk Tolerance in Relation to UK Taxation

- Diodes UK Group works with Corporate Management and a leading international tax advisory firm to ensure that any complex or unusual transactions are treated correctly for tax purposes.

Approach to Dealing with Tax Authorities

- Diodes UK Group ensures it is open and transparent with Tax Authorities and that it is able to provide the Tax Authorities with all relevant facts and data should this be requested.
- It is Diodes UK Group's aim to be assessed as low risk by Her Majesty's Revenue & Customs ("HMRC").

This strategy was published on 31st December 2021 and complies with paragraph 16(2) Schedule 19 FA 2016 for the financial year ended 31st December 2021.
