EXPLANATORY NOTE

This Amendment No. 1 on Form 10-K/A (the “Amendment”) amends the Annual Report on Form 10-K of Diodes Incorporated (the “Company”) for the fiscal year ended December 31, 2007, originally filed with the Securities and Exchange Commission (the “SEC”) on February 29, 2008 (the “Original Filing”). The Company is filing this Amendment to include certain exhibits required by Part IV, Item 15(b) that were unintentionally omitted from the Original Filing. In addition, in connection with the filing of this Amendment and pursuant to the rules of the SEC, the Company is including with this Amendment certain currently dated certifications (the original signed certifications were obtained by us prior to our filing of the Original Filing with the SEC). Accordingly, Item 15(b) of Part IV has also been amended to reflect the filing of these currently dated certifications. However, in order to reduce printing and mailing costs, for purposes of providing the disclosure required under SEC rules, in the Company’s fiscal 2007 Annual Report to Shareholders (the “Annual Report”), the Company intends to provide shareholders (1) this Form 10-K/A, without exhibit index and exhibits, together with (2) the Original Filing filed on February 29, 2008 including the currently dated certifications and previously omitted exhibit.

This Form 10-K/A does not attempt to modify or update any other disclosures set forth in the Original Filing, except as required to reflect the additional information included in Part IV of this Form 10-K/A. Additionally, this amended Form 10-K/A, except for the additional information included in Part IV, is as of the filing date of the Original Filing and does not update or discuss any other Company developments subsequent to the date of the Original Filing.
